

## 'Paradise Walk' Sailors Path by Beezy Bailey

SEAS Community Group are immensely grateful to artist Beezy Bailey who donated his fabulous painting '*Paradise Walk*' *Sailors Path* depicting an old smugglers pathway along the river from Snape to Aldeburgh. We were delighted to present the lucky winner, Mya Manakides with the oil painting this afternoon outside Friston Church. Mya and partner Luigi have been tremendous supporters of this group over the last two years. A big thank you to them and to many others who have helped to raise money to fund specialist research by Jethro Redmore into the impact of onshore windfarm infrastructure on air quality.
